Ministering to All

# Come Unto Christ this Holiday Season

Dear Members of the Reno Nevada Stake,

The COVID 19 pandemic has greatly impacted the way we traditionally apply both full time and member missionary efforts during 2020. We have seen in many ways a complete halt to the normal ways in which we use to share the gospel.

We are now seeing great progress made as **new and creative** ways are used to invite all to Come Unto Christ. Several investigators are now feeling more comfortable coming out to worship services and several have set the goal to be baptized in the coming weeks. It is an exciting time to see the work of the Lord moving forward.

With additional missionaries now serving in our Stake there is also a greater capacity to teach the gospel now more than ever before this year. To help further this effort we invite all members of the Reno Nevada Stake to join with the full time missionaries of the Reno Nevada Mission in an effort to invite all to **Come Unto Christ this Holiday Season.**

After much prayer and contemplation the Reno Mission has set the goal to have one baptism in each ward by Christmas. Some wards are well on their way in reaching this goal and others are working diligently to accomplish this worthwhile and inspired goal. It is now time for the members of our stake to unite with the full time missionaries to find more people to teach and work together towards the realization of this goal.

We know the Lord will bless us individually and as a Stake as we Share the Light of the Gospel at all times and in all places and in intentional ways.

God bless us all.

Bro. Hunsaker

## **Normal & Natural** Ways to Share the Gospel

*We invite individuals, families, and Ward Councils to consider the many ways in which we can share the gospel and make an intentional effort to share the gospel in Normal & Natural ways this Holiday Season.*
