2022 Skyline Bishopric Report

Covid was much less of a factor this year and things were pretty much back to normal. We conducted Bishopric meetings almost every Sunday from 10:30 to 11:30 except on 2nd and 4th Sunday's when we meet from 9:30 to 10:30 because we had WC meetings from 10:30 to 11:30. Sacrament meetings were held from 12 to 1 and 2nd hour from 1 to 2. The Bishopric had no changes to counselors, Craig Andresen still 1st C and Rusty Stodtmeister still 2nd C. One Ex. Sec moved out of the ward, Brother Austin Bassett, and Brother Jacoby Wildman was called to replace him. We did the Priesthood advancement for all YM in January. We had our Ward Conference on 2/27/22. We focused on the YM's program and did most activities on Tuesday nights, we helped with Trek this year as well. Many youth received their Patriarchal Blessings this year. And we sent two missionaries out, Shannyn Morris and Stevey Weed. Elder Sam Muprhy came home from his mission. During a ward council meeting in the summer we decided to set specific goals for the TFH committee, which included the Bishopric reminding the ward from the pulpit to focus on family history work on the 1st Sundays, sharing talks focused on TFH, and devoting a 5th Sunday to it. Thanks to the EQ and RS, the ward's FH activity jumped significantly. We also focused a lot on missionary efforts in 2022 and had 7 convert baptisms. The last significant thing to report is the combining of the Skyline ward with half of the old Lakeside ward. We ended up losing some families and individuals to the Huinterlake ward in the realignment but picked up 50 plus families and a couple hundred member records for a total of 800+. These changes took place in September and the Bishopric had about 30 new callings to make over two months to reorganize everything. We were very grateful to pick so many wonderful people to help in many needed callings. The youth and primary programs also doubled in size with these changes.

2022 Skyline Elder's Quorum Report

The EQ Presidency of Steve Rock, Secretary, John Sharp, Geoff Norby and Bill Horn will offer their report in order of current to the beginning of 2022. Sadly we lost Peter Clark December 23. The faith Ruth Clark expressed when Peter first became ill, regarding the Plan of Salvation and how she knew through following the Covenant Path would lead her back to Peter in the next life was extraordinary spiritual and a message for all of us to learn and be inspired.

On the evening of September 26, a major change occurred within the Skyline Ward and Reno Nevada stake when approximately 150 new members were transferred into the ward from the Lakeside Ward. For Bill it was a reuniting of former ward members he knew from 2013 when his family was moved into the Skyline Ward. There have been many new members move into the Lakeside Ward since 2013 who are not familiar with the members of the Reno Stake or the Skyline Ward. The presidency and EQ members will need to be anxiously engaged in effective ministering, fellowshiping, friendshiping and developing new relationships for the quorum to learn how to serve in the Savior's way.

New members in the quorum have come from conversion as the result of the missionary work of our sister missionaries. Currently we have sisters Farnsworth and Atamancyzk working with Christopher, Burt, Matt, and Ray. Joining the quorum through baptism this year are Dennis Magno, Kenny Penrose, Robinson Mongkeya (who moved to Guam), Vincent Stevenson and Ref Perez. In particular we want to recognize Daniel Fuller, Joe Hoyt and Roy Blackburn who have shown through their working on both sides of the veil for their assistance with the missionaries and their investigators. Sister Missionaries who have moved to other areas in the Reno Nevada mission who taught and visited both investigators and members are sisters Halls and Orgil.

There have been changes in the presidency all year long with Roland Goode, Daniel Fuller and Daniel Van Bibber moving forward to new callings. Temple and Family History work under the leadership of Geoff Norby, Roland Goode and sister and brother Loosle exceeded the expectations of the stake and bishop Keenan. Whether spiritually or statistically, members taking names to the Temple, memories being added, indexing, members logging in and names added to a Tree increased over 2021. One hundred and forty six (146) members logged on to Family Search, 13 indexed, 22 added a memory to a Tree and 30 added a name to a Tree. Forty seven (47) family member names were taken to the Temple for an ordinance, 43 adults, 4 youth, 1 new member (Helen Lanier) and 4 Young Single Adults. The number 47 does not include all family names taken to the temple ordinances, since members who take names, only count once a year.

Temple and Family History work increased on this side of the veil through the leadership of Travis Mar, Jason Morris and Daniel Fuller as reported above.

There are significant areas where refocusing and becoming anxiously engaged in the Lord's work is required in 2023. The two areas are ministering and interviewing the companionship. The Presidency looks forward to Pres. Jamison through his teaching to help us all understand when President Nelson taught us that "when we draw His power

2022 Skyline Ward Young Women Report

This was a year of many changes! We started off strong learning new skills, playing lots of games, and service activities. Some YW favorites are serving at Spread the Word (cleaning books to be donated to families in need,) and at the Food Bank of Northern Nevada. The older girls went on trek this summer so we spent a lot of time hiking and making aprons to help get them ready. Because of trek, there was no official girl's camp this summer so we held our own "camp" at the Keenan's cabin at Lake Tahoe with the theme being "Trust in the Lord." It was a different kind of camp, but they enjoyed sleeping indoors and having a daily shower. Big changes came in September with re-aligning our ward boundaries. We sadly lost the Goode girls, but gained 4 new girls. Shortly after, a new YW Presidency was called. Heather Keenan (president,) Kristen Scott (counselor,) and Jen Morris (secretary) were replaced by Whitney Stodtmeister (p,) Allison Andresen (c,) Mariah Wildman (c,) and JoyceAnn Portillo (s.)

2022 Skyline Ward Primary Report

2022 found Primary children engaged in learning about the Old Testament, singing songs for Mother's and Father's Days, Easter, July 4th, and Pioneer Day, and they joined the rest of the stake Primaries and youth in singing I Will Be What I Believe in Stake Conference. They were able to learn about baptism, the holy ghost, and the sacrament from another Friend-to-Friend church broadcast.

We celebrated children during the Christlike sharing in opening exercise as they shared experiences when they shared the gospel with others, helped around the house, or served other!

Summer in Reno was challenging as the smoke from California wildfires made our air quality in the hazardous range. Our summer Primary Water Splash Activity had to be canceled due to air quality issues.

The stake Primary organized a Stake Primary Olympics for our 8–10-year-olds. Games, food, and Pioneer activities were enjoyed by all.

Highlights for Primary are always when our 8-year-olds are baptized. Gavin Stodtmeister and Jay Andresen were both baptized this year! Congratulations for choosing to become a member of The Church of Jesus Christ of Latter-Day Saints!

The Skyline Ward Primary Presidency was released in October (Janice Rock, Kathi Nelson, Kim Rapp and Sinamon Malloy) and a new presidency called with Cheryl Woodman as the new President. Counselors are Wendy Moreno and Krista Clark with Lynda Morris as secretary.

The Primary Presentation was in November. A big thank you to Sister Kathi Nelson for helping oversee the primary program to completion even upon her release – she had not only written the program, but was the chorister through the year. The children did an amazing job sharing their testimonies of our Savior through their speaking and singing.

Temple and Priesthood Preparation Meeting was held December 18th. Brother Rusty Stodtmeister welcomed the YM into the Deacon's Quorum and Sister Whitney Stodmeister welcomed the YW into the Young Women's Program. We will miss having Van Hasler, Ashton Miller, Charlotte Stodtmeister and Stella Hershberger in Primary, but they are more than ready to shine in the Young Men/Women's programs. Andi Keenan and Truman Stodtmeister did a wonderful job explaining and sharing what to expect along with their sweet testimonies. Bishop Keenan closed the meeting sharing his testimony. A sweet spirit was present.

ekg - We had a wonderful turnout to our temple cleaning assignment on the 24th (Karin and Jay Chamberlain, Aubrey Norby, Erika Goode, Janice and Steve Rock). We are so glad the temple is reopening and so thankful that we could go help clean it!

Young Women

JLM - We started off the month with a combined activity with the YM playing bball to get ready for our basketball season and a fun get to know you activity with our new YW. We love having the younger girls with us, they bring some great energy to our YW! Other activities included ice skating at GSR and our Guatemalan friend Olga taught us to make tortillas and black beans. So delicious! We've had a great start to 2022!

Primary

The Primary is excited to begin a new year of Come Follow Me studying **The Old Testament!**

Classes were adjusted to include the new Nursery children. Our Sunbeam / CTR 4 year-old class has 9 children! The biggest yet.

We sure miss our 11 years old who moved up to be with the YM / YW, but excited for their new experiences and opportunities to grow in the Gospel!

ekg - Barbie Tyler (Carla Tyler's daughter) passed away on the 27th of January. We were able to help prepare arrangements for the funeral and dinners for the family. Barbie was an amazing person and really touched the lives of so many people, despite being wheelchair bound her whole life. It was an honor to help the family at this time.

Feb 25th was our RS temple day. We had an amazing turnout with 9 sisters attending the 10am endowment session and then we enjoyed a wonderful lunch at Mimi's (we had other sisters come to lunch that couldn't make the temple because of the limited number of appointments right now). It was wonderful for our sisters to get together! We are starting monthly temple days - it is a blessing to be able to go to the temple!

Feb. 20th was a stake Why I Believe Fireside and 2 of our new sisters spoke at it. Evangline and Linda Flinn. They both gave very sweet talks. We are so thankful for both of our new sisters!

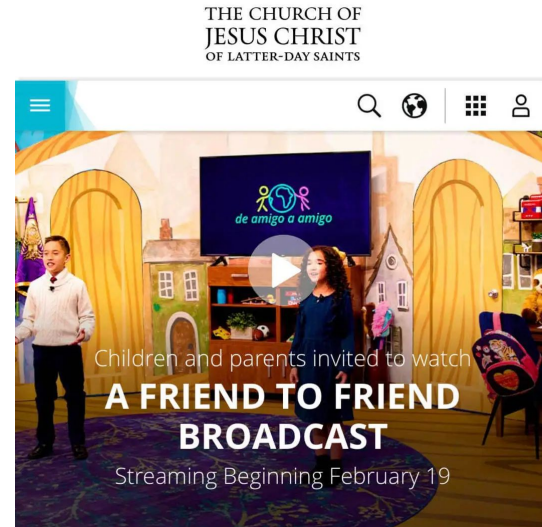

Young Women

JLM - Lots of fun in February! Heart attacking the YW who weren't able to come, lots of Stake basketball games and basketball scrimmage with the YM. A much needed night of yoga and nailpolish and a fun combined game night with the YM that included a cake made by Katie Goode to celebrate Harry Styles birthday.

Ekg - We had a busy month, a RS temple day, temple cleaning, a funeral and stake conference! We also had three sisters (Carol Bennet, Faye Sobrio and Karin Chamberlain all fall and break bones (a hip, an arm, and a foot) all in the same week!

Our temple day (on the 31st) was not as well attended as the last one (we only had 4 sisters come). We tried an evening session but it didn't seem to work well with sisters schedules.

We were able to help clean the temple again on the 14th. We had ward members come help! We are thankful for a temple close by!

Ekg - Marilynn Bonnenfant a long time member of our ward died on the 22nd. We were able to help the family with the funeral services on the 28th. She was a very sweet woman and we are thankful for the chance to get to know her!

Young Women

JLM - We started of the month with temple baptisms. Such a beautiful night and so special to have Teddy and Heidi there for their first time. All enjoyed ice cream after. We made it to the final tournament games for basketball but didn't win. So proud of our girls for playing and having fun though. We had a great night watching the Face to Face broadcast with the YM at the Keenans home then we took 2 weeks off of activities due to Spring Break and most of our YW being out of town. Finally we finished the month off with and Escape room. The YW have been asking to go for awhile and we're grateful we could make it happen. The group that got stuck with the leaders won. Wink, wink.

Primary

Gavin Stodtmeister was baptized a member of the Church of Jesus Christ of Latter-Day Saints on **March 12th!** Congratulations Gavin we love your decision.

Christlike Sharing: Our Primary is asking children to share times in their lives when they were able to share their testimony, talk to friends about the church, or be of service.

*Nathan Goode: shared that he talked to a friend about the church at school this week!

Ekg - We were able to start our monthly service activities this month. We started by organizing a service on the 11th at Spread the Word, Nevada (a local organization that helps provide books to local needy schools). We had sisters donate books and we were able to help clean gently used books to be used by their programs. We had 7 sisters come and we are thankful that we could start doing more service!

Our RS temple day was very well attended this month (we have 14 sisters come to the temple together!) We also enjoyed lunch afterward at Mimi's Cafe with 9 sisters (some of those were sisters who couldn't come to the temple but came to lunch!) It was amazing to be in the temple with so many of our ward sisters!

We have some new callings in our Relief Society. We have 2 new teachers - Cherie Schroeder and Tristan Bassett. Tristan has been my amazing secretary until now but we are excited to have her teaching RS! Lexi Mar is our new secretary and Terra Stodtmeister is our new assistant secretary (who will be helping with this ward history).

Our RS lessons were great this month. We had Liz Gardner teach on the 10th on Sister Wright's talk from General Conference. Cherie Schroeder taught on the 24th and it was her first lesson and she did great! We are thankful that we can be uplifted together in RS. We also had a great update by Bev Morris in our missionary moment (Christlike sharing moment) and she was able to let us know how Shannyn was doing on her mission. We look forward to hearing all about her mission as she is serving.

Young Women

We started off the months activities with ice skating and then a fun combined game night with the YM. April 19th we had Lynda Morris help the girls sew aprons for trek and we finished out the month with a hike starting at Mayberry park to get prepared for trek!

Primary

The children and YM / YW sang Gethsemane in sacrament meeting today. They sang beautifully while adding sign language to the chorus! It's such a special song that the Primary sings it yearly at Easter.

Rachel Goode gave an incredible talk in Primary about Palm Sunday. It was a beautiful talk and helped explain to many children what Palm Sunday signified and its importance in the Easter message.

We had 8 women contribute ingredients and 6 come help make the meals, we had a lot of fun and were able to complete many meals in just an hour. Hoping we can do this service activity multiple times a year.

Testimony from a TFH youth consultant

I believe that as a family history consultant it has brought me closer to my family and more important things. As a family history consultant I am in charge of helping people with family history and getting people to do it more often. One thing our group of consultants did was a temple Tuesday for the youth in the summer. We would go to someone's house and have snacks and treats at that house. People would print names at the house and then we would go to the temple. It was very fun going with friends. We also did a family history fair where the people brought desserts and heirlooms to show off. The consultants would help and show cool stuff to people like Family History Wheel of Fortune or Geneopardy. Through these experiences I have had fun and gotten closer to family on the other side of the veil. I would like to bear my testimony that family history brings us closer to God and it helps gather Israel on both sides of the veil.

the name of Jesus Christ. Amen.
