

## The Blessing of Continuing Revelation to Prophets and Personal Revelation to Guide Our Lives

I have a firm testimony that this restored Church is led by our Savior, Jesus Christ. He knows whom to call as His Apostles and in what order to call them. He also knows how to prepare His senior Apostle to be the prophet and President of the Church.

We were blessed this morning to hear our beloved prophet, President Russell M. Nelson, deliver a profound bicentennial proclamation to the world with respect to the Restoration of the fulness of the gospel of Jesus Christ.

I declare with all solemnity that continuous revelation has been received and is being received through channels the Lord has established. I testify the new proclamation President Nelson delivered this morning is a revelation to bless all people.

We also declare our heartfelt desire to be reunited with those who have been struggling with their testimonies, been less active, or had their names removed from Church records. We desire to feast with you “upon the words of Christ” at the Lord’s table, to learn the things we all should do. We need you! The Church needs you! The Lord needs you! Our heartfelt prayer is that you will join with us in worshipping the Savior of the world. We know that some of you may have received offense, unkindness, or other conduct that is not Christlike. We also know that some have had challenges to their faith that may not be fully appreciated, understood, or resolved. Brothers and sisters, regardless of your situation, please know that the Church and its members will welcome you back!

Personal revelation is available to all those who humbly seek guidance from the Lord. It is as important as prophetic revelation. Personal, spiritual revelation from the Holy Ghost has resulted in millions receiving the testimony necessary to be baptized and confirmed members of The Church of Jesus Christ of Latter-day Saints.

Personal revelation is based on spiritual truths received from the Holy Ghost. The Holy Ghost is the revealer and testifier of all truth, especially that of the Savior. Without the Holy Ghost, we could not really know that Jesus is the Christ. His seminal role is to bear witness of the Father and the Son and Their titles and Their glory.

## The Church of Jesus Christ of Latter-Day Saints

Skyline Ward

July 23, 2023

Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God.

Which things also we speak, not in the words which man’s wisdom teacheth, but which the Holy Ghost teacheth.

1 Corinthians 2:12-13
