Youth need to wear pants and closed-toe shoes, and bring a water bottle, gloves, and sunscreen. Parents will need to provide rides to and from the service project. If your youth can't attend all 4 hours, we still encourage them to come even for a portion of it. **All youth must have been registered by Monday, April 15th.**

Part-Time Senior Service Mission Opportunity, 15-18 hours per week:

The North American Operations, Family History Department, FamilySearch mission is seeking new senior service missionaries and are seeking worthy members who need this opportunity to serve. This has unique opportunities, particularly for those who are single and/or have limitations that require them to remain home; once trained, the mission gives latitude to those who vacation, have urgent matters to attend to, or need to be with family. After being set apart by the Stake President, missionaries serve from home about 15-18 hours per week. A computer and internet service are required. Expertise in FamilySearch, Indexing, Historical Records, or FamilySearch Centers processes is NOT required; training and continuing support are provided in every aspect of this service mission. Reach out to David Chamberlain or your bishop for more information or to answer questions and see below for contact info
