

Tent Mom 101- The Journey is Sweet 2026

Camp Director: Amy Barnes 661-400-3375

Assistant: Megan Childs 775-303-5460

Assistant: Whitney Stodtmeister 775-657-0572

Please visit the stake website www.renonvstakeinfo.org for additional camp forms: general packing list, tent mom 101, parent info, and directions to camp. Look for girls camp in the search tab.

Here's what to expect BEFORE CAMP:

You will be assigned a partner tent mom and a group of girls (by age). You will be the adult representative/chaperone/substitute mom of these girls at camp. Your group will be assigned 2-3 YCL's (youth camp leaders age 16-17). These girls have been trained to take responsibility in leading your group and encouraging the girls in all things related to camp. Please allow the YCLs to be leaders whenever possible.

YCL meeting with tent moms: **Sunday April 26th 3-5pm** at the Robb Drive building primary room. Tent moms please come at 3pm, and YCLs please arrive at 4pm. This meeting will be an opportunity to meet with your YCL's and plan games and family time activities and devotionals.

Here's what to expect AT CAMP:

Arrival: Tent moms and girls come up to camp on Wednesday afternoon. Wards will provide their girls with transportation. You may be asked to drive up some girls. Upon arrival, drop off your gear, unload, and collect your T-shirt, bag, journal, pen and lanyard.

Parking: The Forest Service requires all vehicles to park in evacuation mode. After unloading your gear, drive to the parking lot area. Park with your vehicle's front facing out. Leave your doors unlocked and keep the key on the driver's floor mat. (The men and camp leaders can assist). The parking lot is where we will meet for any emergency or emergency drill (see drill instruction sheet).

Camp site: Set up your campsite with the help of your girls and the YCLs. Leaders may sleep in tents; we ask that the girls sleep outside on a tarp you provide. An additional tent

may be set up for changing and extra storage. See the “Tent Mom Packing list” list for additional items to bring.

Bear-free sites: Please do not keep food at your campsites. There are bear boxes at each site, but it is better to store any food in the kitchen. The girls may get treats from their mailbox. Encourage them to throw away wrappers and keep your site clean. Trash should be emptied each night during chores; bags should be deposited at the kitchen.

Schedule: The lanyard will have the schedule for camp. Please bring a watch. Paired together, you will know where and when to be at activities. Tent Moms and YCLs should stick with their girls and participate at morning and evening group firesides, workshops, chores, family time, nature walks, etc. Tag team with your partner if needed. Times you won't be with your assigned girls is during free time, ward testimony meeting, meals, or kitchen help.

Family time: Family time occurs each evening before bedtime. You will have an hour or so with your girls each night to get to know them. You, along with your YCLs, will plan a short devotional and/or activity depending on time.

Bathroom/showers: Please pack a small tote or travel bag with bathroom needs. These will need to be stored in the bathroom on the provided shelves. We don't want to attract bears with sweet smelling products. In case of plumbing issues, consider bringing biodegradable soap to bathe in the lake, or baby wipes.

Photos: Our YCL slideshow committee will put together a fun presentation for the post-camp fireside. We ask the tent moms to provide 10 or more pictures of their group while at camp. There is no cell service, but camera phones are great. Don't forget to take a group photo.

Kitchen help: In order to lighten the cooks' load, we may ask each Tent Mom to take a shift in the kitchen for one meal. There may be other times we need help at archery or the obstacle course. Assignments will be given before camp. Thank you in advance for your willingness to serve!

Lights out: When the schedule says “Lights out” it means girls and their tent moms should be in their designated campsites. YCLs may help tuck the girls in bed and then they should go to their own campsite. Please encourage your girls not to hang out at the bathroom or

other campsites. Girls must sleep with their assigned groups and Tent Moms should account for each of their girls at bedtime.

No pranks: There is no pranking allowed. Encourage your girls to be kind and have fun without using pranks. Any behavior that you are worried about, please talk to the camp directors.

Saturday morning final chores: After morning scripture study and roll call, it's time to pack up. There will be one final chore for each group. Please do not let the girls shirk this in favor of packing their own stuff. No one leaves camp until final chores are complete and each camp site is clean.

TENT MOM PACKING LIST

in addition to your normal packing list.

Tarps 2-3	Scissors, sharpies, tape, paper, pens/pencils, markers
Mat good for wiping feet outside of tent	Extra scriptures

An extra empty bottle	Group flag (optional) and any supplies to decorate if not already done.
Duct tape	Water toys (optional) i.e. paddle boards, kid canoes, inner tubes, etc.
Pocket knife	

EMERGENCY DRILL INSTRUCTIONS

Tent Moms, please review these instructions with your group on Wednesday night:

We will use the bull horn alarm to practice an emergency drill during camp. The same alarm will be used if there is a true emergency.

IN CASE OF EMERGENCY/DRILL, MEET AT THE PARKING LOT

When you hear the alarm:

1. Immediately stop what you are doing and leave all as it is. If you are in the water or shower, quickly grab your shoes.
2. Go quickly and quietly to the parking lot.
3. Once you arrive at the parking lot, find your tent group as quickly as possible.
4. Tent Moms will take roll call for their group. NOTE: The YCLs will report to Sister Dameron and Sister Franckum.
5. Sister Barnes will call out each tent group name. If everyone in your group is present, a tent mom will answer, "All present and accounted for." If anyone from your group is missing, a member of the Stake YW presidency will help figure out whom we need to locate.
